SUBJECT INDEX

Volume 20, 1992

Adolescents

Pond, E.F. A comparison between adolescent and adult women on prenatal anxiety and self-confidence, 11

Gottesman, M.M. Maternal adaptation during pregnancy among adult early, middle, and late childbearers: Similarities and differences, 93

Anxiety

Pitzer, M.S. Infant gender and sibling dyad influences on maternal separation anxiety, 65

Pond, E.F. (see Adolescents), 11

Attachment

Müller, M.E. Assessing the validity of the dimensions of prenatal attachment, 1

Assessment

Müller, M.E. (see Attachment), 1

Childbearers

Gottesman, M.M. (see Adolescents), 93

Children

Zamberlan, K.E. Quality of life in school-age children following liver transplantation, 167

Down Syndrome

Van Riper, M. Symbolic interaction: A perspective for understanding parent-nurse interactions following the birth of a child with Down's syndrome, 21

Infants

Hill, A.S. Preliminary findings: A maximum oral feeding time for premature infants, the relationship to physiological indicators, 81

Keeling, E.B. Thermoregulation and axillary temperature measurements in neonates: A review of literature, 124

Pitzer, M.S. (see Anxiety), 65

Leukemia

Mullis, R.L. The effect of leukemia and its treatment on self-esteem of school-age children, 155

Liver Transplantation

Zamberlan, K.E. (see Children), 167

Maternal

Gottesman, M.M. (see Childbearers, Adolescents), 93

Pitzer, M.S. (see Anxiety, Infants), 65

Stanton, M.C. Maternal tasks of uncertain motherhood, 113

Neonates

Hill, A.S. (see Infants, Oral Feeding, Physiologic Indicators, Infants), 81

Keeling, E.B. (see Infants), 124

Oral Feeding

Hill, A.S. (see Infants), 81

Parent-Nurse Interaction

Van Riper, M. (see Down Syndrome), 21

Physiologic Indicators

Hill, A.S. (see Infants), 81

Postpartum

Mackey, M. Women's views of postpartum sibling visitation, 40

Prenatal

Gottesman, M.M. (see Childbearers, Adolescents, Maternal), 93

Müller, M.E. (see Attachment, Assessment), 1

Pond, E.F. (see Adolescents, Anxiety), 11

Quality of Life

Zamberlan, K.E. (see Children, Liver Transplantation), 167

Rural Home-Health Visitors/Nurses

Jessee, P.O. (see Social Problem Solving), 53

School-Age Children

Mullis, R.L. (see Leukemia), 155

Zamberlan, K.E. (see Children, Liver Transplantation, Quality of Life), 167

Self-Confidence

Pond, E.F. (see Adolescents, Anxiety, Prenatal), 11

Separation Anxiety

Pitzer, M.S. (see Leukemia), 65

Sibling Visitation

Mackey, M. (see Postpartum), 40

Social Problem Solving

Jessee, P.O. Evaluation of social problem-solving abilities in rural home health visitors and visiting nurses, 53

Symbolic Interaction

Van Riper (see Down Syndrome, Parent-Child Interaction), 21

Thermoregulation and Axillary Temperature

Keeling, E.B. (see Infants), 124

Validity Assessment

Müller, M.E. (see Attachment, Assessment, Prenatal), 1

Visiting Nurses

Jessee, P.O. (see Rural Home-Health Visitors/Nurses, Social Problem Solving), 53
